2. *Park Use Permits—General.*—(a) For Provincial parks, the Minister may define the park use or occupancy for which a Park Use Permit shall be required.

(b) Subject to the provisions of these regulations and to such rates, fees, terms, and conditions as the Minister may determine, the Chief Forester, or any officer of the Forest Service acting under the Chief Forester's instructions, may grant a Park Use Permit for any period, not exceeding twenty-one years, for any park use or occupancy not inconsistent with the purpose or purposes for which such park is constituted.

(c) Without limiting the provisions of the foregoing, a Park Use Permit shall be required for the following:—

(i) Erection or occupancy of any residence, cabin, boat-house, house-boat, or any other building or structure in any Provincial park:

(ii) Engaging in any commercial or industrial enterprise of any description and any and all activities undertaken, in whole or in part, for financial con-

sideration, including mining, trapping, guiding, and offering service, equipment, or accommodation for hire or for sale within any Provincial park:

(iii) Hunting, fishing, or carrying firearms in any Provincial park.

(e) Any Park Use Permit may be cancelled forthwith by the Chief Forester, or any officer of the Forest Service acting under his instructions for any of the following causes:—

(i) Failure to comply with the terms and conditions under which the permit is issued:

(ii) Breach of any provision of the "Forest Act" or of regulations made thereunder:

(iii) Failure, after six months from the date of the permit, to make bona-fide use of the Park Use Permit for the purpose for which it was granted.

(f) Cancellation notice shall be effectually given if posted, by registered mail, to the last-known address of the permittee.

(g) No Park Use Permit shall be transferable without written consent of the Chief Forester, and shall be on such form as the Chief Forester may prescribe.

(h) Any building or improvement built or constructed under any Park Use Permit shall be deemed appurtenant to the land upon or within which it is built or constructed, and shall not be sold or otherwise transferred separate from the privileges granted in the Park Use Permit for its construction or occupancy except with permission of the Chief Forester.

(i) No permittee shall lease or rent or charge any toll over any land over which he has been granted any privilege by any Park Use Permit without written consent of the Chief Forester or as provided in the permit.

3. *Park Use Permits—Special: Services to Public.*—(a) Where it is deemed advisable to grant a concession for service to the public within any Provincial park, such concession may be granted by the Minister by public competition, after advertisement in one newspaper circulating within the Province in accordance with the provisions of section 139 of the "Forest Act," and such concession may be granted subject to such terms and conditions as the Minister may see fit.

(b) In any Park Use Permit and (or) grant of any concession for service to the public, the Minister may, at his discretion, specify or limit the kinds and qualities of services, accommodations, or commodities to be offered and the maximum prices and rates to be charged the public therefor.

(c) In any Park Use Permit and (or) grant of any concession for service to the public, the Minister may, at his discretion, specify such terms of employment, not inconsistent with existing Statutes, as he may consider necessary to govern the relationship between permittee and any employee, in the interest of proper park use.

(b) Provided it has been in effect for a period of at least two years, any Park Use Permit permitting the conducting of any operations under the "Coal Act" or "Petroleum and Natural Gas Act" may, at the discretion of the Minister, be cancelled, if in the opinion of the Minister:—

- (i) The development of the location under permit, licence, or lease toward the production of coal, petroleum, or natural gas has not justified continuance of the permit; or
- (ii) It has been shown that the development of the location under permit, licence, or lease for the production of coal, petroleum, or natural gas is not economically sound.

(c) At the termination of any mining or prospecting operation on any coal, petroleum, or natural-gas permit, licence, or lease within any Provincial park, or at the expiration or cancellation of any Park Use Permit permitting the conduct of operations under the "Coal Act" or the "Petroleum and Natural Gas Act," the Chief Forester may require the permittee to remove completely, within twelve months and at the expense of the permittee, any or all buildings, structures or improvements built, constructed, or developed on such claim, licence, or lease or under any such Park Use Permit. - (iv) Require any permittee to report to the Forest Service such information regarding numbers of parties guided, game or fish killed or taken, and any other matter pertaining to park use as the Chief Forester may deem necessary for the proper administration of Provincial parks.

(e) All specifications, limits, or requirements made under clause (d) of this regulation may be endorsed on every Park Use Permit concerned and shall form a part of the provisions of that permit.

6. *Park Use Permits—Special: Trapping.*—

(a) Subject to the provisions of the "Game Act" and regulations thereunder and these regulations, licensed trappers may trap within Provincial parks.

(b) The Minister may require that no person shall trap or take any fur-bearing animal in any or all Provincial parks without first obtaining a Park Use Permit therefor.
